DETAILED ACTION

1. This application is in condition for allowance except for the presence of claims 26-39 to an invention non-elected in the reply filed on 4/16/03. Applicant is given ONE MONTH or THIRTY DAYS from the date of this letter, whichever is longer, to cancel the noted claims or take other appropriate action (37 CFR 1.144). Failure to take action during this period will be treated as authorization to cancel the noted claims by Examiner's Amendment and pass the case to issue. Extensions of time under 37 CFR 1.136(a) will not be permitted since this application will be passed to issue. The examiner is aware that applicants requested that the withdrawn claims be rejoined with the examined claims upon allowance of said examined claims, however only the claims directed to the method of making a composition and the method using the composition have to be rejoined upon applicants' request, leaving claims 37 and 39, directed to an article which are outside the directives of Ochiaii et al.

The prosecution of this case is closed except for consideration of the above matter.
